

## **United Against Bullying: Community Support Pledge**

As leaders, educators, families, and neighbors, we pledge to stand with our students.

- We will create schools and communities where every child feels safe, valued, and respected.
- We will listen to the voices of our young people and take their concerns seriously.
- We will speak out against and report bullying in all its forms, in classrooms, online, and in our neighborhoods.
- We will model kindness, empathy, and courage in our words and actions.
- We will partner with one another; schools, families, clergy, city leaders, and community members, to protect and uplift every student.

Together, we are stronger. Together, we are united against bullying.
